EDUCATIONAL OBJECTIVES

Upon completion of this activity, participants should be able to:

• Discuss the importance of early and sustaining nutrition on the development and progression of conditions such as metabolic syndrome, obesity, celiac disease, cystic fibrosis, inflammatory bowel disease, allergy and autoimmunity.

• Describe the strategies to improve nutrition for the patient主力军 to optimize both short and long term health outcomes especially those that improve neurodevelopmental outcomes.

• Identify the current advances and practices in perinatal, neonatal and pediatric nutrition, including new parenteral and enteral products and their roles in nutrition practice.

TARGET AUDIENCE

Physicians, dietitians, registered nurses, nurse practitioners, nurse midwives, physicians assistants, educators, pharmacists, and other healthcare professionals interested in the nutritional requirements of high-risk pregnant mothers, preterm infants and pediatric patients.

FACULTY

Michael K. Georgieff, MD
San Diego, California
Rady Children’s Hospital-San Diego
Department of Pediatrics
Assistant Clinical Professor

Mary Abigail Garcia, MD
Calgary, Canada
Evidence Analyst for Dietitians of Canada
Research Lead for Alberta Health Services

Tanis Fenton, PhD, RD
Boston, Massachusetts
Massachusetts General Hospital
Research Center
Director, Mucosal Immunology and Biology
Director, Center for Celiac Research and Treatment

Alessio Fasano, MD
San Diego, California
UC San Diego Medical Center
Occupational Therapist

Kerri Boutelle, PhD
La Jolla, California
UC San Diego School of Medicine
Hepatology and Nutrition
Division of Gastroenterology, Hepatology and Nutrition
Professor of Clinical Pediatrics

Erika Clemens, OT
Los Angeles, California
Department of Pediatrics and Neonatology
Pediatrics, Neonatal-Perinatal Medicine

Jo Ann Hattner, MPH, RD
Hempstead, New York
School of Medicine
Professor, Hofstra Northwell and Northwell Health
Cohen Children’s Medical Center
Director, Neonatal Services

Richard Schanler, MD
Palo Alto, CA
Stanford, California
Stanford University
Professor, Pediatrics

Amy B. Hair, MD
Houston, TX
Baylor College of Medicine
Assistant Professor, Pediatrics and Neonatology
Texas Children’s Hospital
Program Director, NICU Intestinal Rehabilitation Team

Mary Abigail Garcia, MD
La Jolla, California
UC San Diego Medical Center
Division of Gastroenterology, Hepatology and Nutrition
Fellowship Program

Sandra Salzedo, MS, RDN, CLEC
La Jolla, CA
Rady Children’s Hospital-San Diego
UC San Diego Medical Center
Divisions of Neonatology and Pediatric Nutrition Director, SPIN Program Fellowship Program

FACULTY

John R. Kline, MD
NEONATAL & PEDIATRIC NUTRITION
August 21-23, 2017
Catamaran Hotel • San Diego, CA

John Becker, MD
SANDY SALZEDO, MS, RDN, CLEC

The Advances in Neonatal and Pediatric Nutrition conference will take place on August 21-23, 2017 at the Catamaran Hotel in San Diego, CA. This conference will provide educational a number of areas that affect each of our practices from the perinatal to pediatric period. Nutrition experts from around the continent will highlight some of the most exciting areas in nutrition over the past few years. This conference was planned to meet the specific needs of the diverse registrants and stakeholders interested in perinatal, neonatal and pediatric nutrition, and will include:

• Audience engagement and conversation with panel experts
• Small group workshops
• Opportunities to interact and network

**Registration**

- Catamaran Hotel
  - 3900 Mission Boulevard
  - San Diego, California 92121
  - Phone: (858) 452-1081
  - (800) 422-8966 [www.catamaranhotels.com](http://www.catamaranhotels.com)

The Catamaran Hotel offers casual elegance in a tropical paradise with acres of lush foliage and sun-drenched beaches. Please take this into consideration when making your reservation. We encourage you to make your reservation early. Please identify yourself as a participant of the current activity.

**Location and Accommodations**

- Once the room block has been filled, the discount group rates may not be available. We encourage you to make your reservation early.
- Please note: To receive the discounted group rate, lodging must be booked directly with the hotel.

**PARKING**

- Overnight parking rate (for hotel guests): Self-Parking: $11 per day
- Valet Service is available
- The full course tuition is refundable, less the commercial interest, 2) altering the individual's autonomy, 3) exercising control over CME content about the products or services of a commercial interest, 4) taking action that could reasonably be perceived as taking advantage of a position of trust, 5) conducting business with a commercial interest that may reasonably affect the activity content through independent peer review. All persons involved in the selection, development and review of CME content must disclose any connections to any commercial interests and are expected to resolve any conflicts of interest.

**SPECIAL NEEDS**

- Advance notice of special needs is required at least two (2) weeks prior to the activity start date. Contact Maureen Hensley-Collins at cmenevents@ucsd.edu or (619) 543-1392 to submit your request.

**PAYING BY CHECK?**

- Payroll deduction will be made from your state payroll.
- Checks should be made out to UC Regents in US dollars and drawn on a US bank payable to UC REGENTS.

**Cancellation**

- The full course tuition is refundable, less the commercial interest, 2) altering the individual’s autonomy, 3) exercising control over CME content about the products or services of a commercial interest, 4) taking action that could reasonably be perceived as taking advantage of a position of trust, 5) conducting business with a commercial interest that may reasonably affect the activity content through independent peer review. All persons involved in the selection, development and review of CME content must disclose any connections to any commercial interests and are expected to resolve any conflicts of interest.

**Contact Us**

- For further information please contact us at (619) 543-1060 or cmenevents@ucsd.edu.

**Conference Registration**

- The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this activity for a maximum of 16.25 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

**Accreditation**

- The 16.25 credits are appropriate for all non-physician, healthcare professionals who do not practice medicine, including nurses and pharmacists. The University of California, San Diego School of Medicine credits approval for registered dietitians, dietetic technicians and dietetic assistants to claim 1 credit for completing this program.

**Regulation**

- Special events are planned in San Diego, including tours of the San Diego Zoo and its related facilities, visits to the San Diego Museum of Art, and more. Additional resources can be found at cme.ucsd.edu.
